

## Information for Colorado Prescribers of Prescription Drugs

This information is being provided pursuant to C.R.S §12-280-308.

The price listed below is the Wholesale Acquisition Cost (“WAC”) established and made available to the public by a third-party publisher. The WAC represents Deciphera’s published list price for the product sold to wholesalers, before any discount, rebate, or other price reduction. The price paid by consumers may be higher or lower than the price listed below.

Information about the WAC of this drug is being provided to Colorado prescribers pursuant to Colorado law, to give prescribers information about the WAC price of marketed drugs as well as three generic prescription drugs in the same therapeutic class if available.

Deciphera Marketed Product	Package Size	WAC Price
<b>QINLOCK® (ripretinib)</b>	<b>50 mg tablet in a 90-count bottle</b>	<b>\$46,620.00</b>

Generic products in the same Therapeutic Class (up to 3, if applicable)	Package Size
Not Applicable	Not Applicable
